Anatolia High School

CLUB PROGRAM NEWSLETTER

ISSUE 1 | NOVEMBER 2026 | STUDENT LIFE CENTER

concentration • problem-solving • critical thinking

CHESS CLUB

THINK, PLAN, GROW!

Playing in a supportive and relaxed atmosphere teaches students respect, resilience, and the value of learning from mistakes rather than focusing solely on winning.

patience • strategic planning

coordination • sportsmanship • resilience • concentration • strategy

TENNIS CLUB

SMASH YOUR LIMITS!

With every drill, rally, and match, students learn the value of practice, perseverance, and playing together.

following instructions • teamwork • kitchen safety • creativity

JUNIOR CHEFS

STIR UP SOME MAGIC!

Turning recipes into hands-on learning experiences! Students develop practical cooking skills while exploring new flavors and learning the importance of kitchen safety.

empathy • self-awareness • teamwork

emotional intelligence

CONNECTING OUR DOTS

UNDERSTANDING OURSELVES AND OTHERS

Through fun games and shared experiences, students strengthen their self-awareness, emotional intelligence, empathy, and teamwork, discovering how understanding themselves helps them build stronger connections with others.

communication • creative writing • critical thinking • media literacy

IN FOCUS

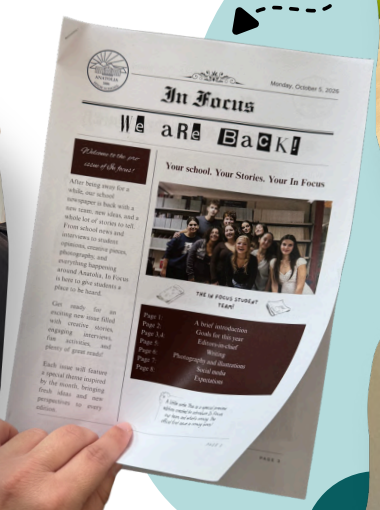

EVERY STORY DESERVES TO BE TOLD

In Focus is back, giving students a platform to make their voices heard and tell the stories that matter to our school community. Students learn to express their ideas, ask questions, explore different perspectives, and tell compelling stories.

self-expression • language skills • storytelling

STORIES

WHERE IMAGINATION COMES TO LIFE

Through storytelling, poetry, and creative expression, our young writers nurture their imagination, strengthen their communication skills, and build confidence as they share their ideas and unique perspectives.

expression • public speaking • communication • emotional intelligence

DUET ACTING

BUILDING CONFIDENCE, ONE PERFORMANCE AT A TIME

Through acting workshops, students work together to bring scenes to life and strengthen their listening, collaboration, and expressive abilities as they prepare to compete in the Forensics Tournament.

DEBATE CLUB

SHAPING ARGUMENTS

In lively debates, students learn to construct compelling arguments, challenge different perspectives, and respond with confidence, while preparing to represent Anatolia at national tournaments.

CANVA CREATIONS

TURNING IDEAS INTO VISUAL STORIES

Through Canva, students learn to turn ideas into designs by creating invitations, brochures, and engaging social media content, while exploring the power of visual storytelling.

BIOCHEM BUDDIES

EXPLORING SCIENCE THROUGH DISCOVERY

Hands-on experiments let students explore the fascinating worlds of biology and chemistry. By observing, testing, and collaborating, they learn to ask questions, investigate, and discover how science works in the real world!

BECAUSE WHAT

HAPPENS AT ANATOLIA...

...STAYS IN OUR HEARTS

FOREVER!
